

St. Lucy's Creation Crates Service Project

The name Lucy means light, a reminder that growth-like produce-requires care, nourishment, and hope. The St. Lucy's Creation Crates, a service initiative of Catholic Charities Diocese of Arlington St. Lucy Food Project, provides fresh fruits and vegetables to individuals and families experiencing food insecurity. This project offers a meaningful way to serve the community, whether you're seeking service hours or simply wish to make a positive impact. Your support aids in our mission of feeding the hungry and nourishing the soul! Thank you for bringing the light of Christ to those in need.
